Resolution.—Recorded.

3. The following Government Orders and other papers were read and recorded :—

(1) Government Proceedings No. 9267-308—L. B. (159-05)-85, dated 9th March 1906, reviewing the District Fund Administration Reports and Accounts for the year 1904-05.

(2) Government Order No. 12465-6—L. B. (383-05)-4, dated 4th June 1906, approving of the explanation that the figures given by the Medical Department being adopted under the head "III Hospitals and Dispensaries" in the District Fund budget for 1906-07 as per Government Order No. 5040-9—L. B. (214-05)-2, dated the 15th November 1905.

(3) Government Order No. 104-5—L. B. (400-05)-2, dated 6th July 1906, communicating their inability to transfer any District Fund road for maintenance from the Provincial Funds, especially as the Shimoga-Yedahalli road, Chikmagalur-Yedahalli road and the Bababudan Hill road are branch roads which should be maintained from the District Funds.

(4) Government Order No. 148-50—L. B. (418-05)-3, dated 7th July 1906, recording and communicating to the member who mooted the subject that in the opinion of the District Board a foot bridge across the Hemavati near Phalguni in the Mudgere Taluk cannot now be undertaken for want of funds.

(5) Government Proceedings No. 674-88—Med. (312-05)-2, dated the 21st May 1906, approving the proposal of the Comptroller that he would transfer the amount required for the repairs and construction of dispensaries to the Medical Department from the funds of the District and Municipal Boards and thus obviate the inequality caused under the present arrangement, etc.

(6) Government Order No. 11888—L. B. (69-05)-7, dated the 19th May 1906, stating that Government consider that an additional musafirkhana at Santaveri is unnecessary, as there is already a third class musafirkhana besides a travellers' bungalow at the place and that a musafirkhana at Sollebyle is desirable, but funds are not available. There is therefore no likelihood of the work being put in hand early unless private individuals such as local planters, etc., contribute towards the cost.

(7) Government Order No. 393-403—L. B. (494-05)-2, dated 14th July 1906, issuing instructions regarding the sanctioning of appropriation of funds from one minor head to another under the same major head of the District Fund budget.

(8) Government Order No. 12027-40—Med. (181-05)-4, dated 23rd May 1906, issuing re-revised forms of mortuary returns.

(9) Government Order No. 691-702—Med. (115-05)-8, dated 21st July 1906, directing that Parsi, Sikhs, Brahmos, Jews, Japanese and Burmese alone should in future be shown in the mortuary return.

(10) Government Order No. 1953-4—L. B. (71-05)-3, dated the 6th August 1906, stating that the Secretary to Government in the Muzrai Department, who was consulted, informs that it is not possible to provide funds for the construction of a musafirkhana at the Bababudan Hills.

(11) Senior Surgeon's docket No. 1746, dated 31st August 1906, forwarding for information copy of an order issued by him to the Hospital Assistant at Kadur to visit Devanur and Yellambalse each once a week on Mondays and Wednesdays respectively to render medical aid to the people there.

(12) Senior Surgeon's docket No. 1839, dated 6th September 1906, forwarding for information copy of an order directing the Hospital Assistant at Ajjampur to visit Sivane on every Friday to render medical aid there.

(13) Government Order No. 2196-203—L. B. (28-06)-3, dated the 8th September 1906, directing that only such of the works as are budgetted for should be sanctioned in future, and stating that works which are not thus sanctioned are excluded from the statement of sanctions in future.

4. Read Divisional Assistant Commissioner's yadi No. 947, dated 22nd May 1906, forwarding the proposal of the Tarikere Taluk Board to transfer the cattle-pound at Bettathavarekere to Koranahalli as this place is more convenient for the people of the surrounding villages for driving cattle to the pound early.

Also Secretary's Official Memorandum No. 1570—L. B. (48-06)-2, dated 16th August 1906, forwarding for disposal a petition dated 2nd August 1906, from Nanjappa and others of the Koranahalli village, Tarikere Taluk, praying that the cattle-pound at Bettathavarekere should not be transferred to any other place as represented by the patel of the village who is interested in the shifting.

Resolution.—The Board is of opinion that the cattle-pound at Bettathavarekere may be transferred to Koranahalli tentatively for one year and its permanent location there will be considered at the end of that period on receipt of further report from the Divisional Assistant Commissioners.

5. Read Divisional Assistant Commissioner's yadi No. 276, dated 4th June 1906, forwarding the Koppa Amildar's report No. 1005, dated 1st June 1906, requesting confirmation to the sale of the ferry at Sita river at Hedse for the three years 1906-07, 1907-08 and 1908-09 to one Gundakal Ahmad Bheri for Rs. 3, as he is the highest bidder.

Resolved that the sale be confirmed.

6. Read Government Order No. 12547-9—Ml. (130-05)-6, dated 7th June 1906, approving of the proposal that the cost of Rs. 357 required for removing lantana in the lands lying outside the Municipal limits at Yedahalli will be met from the provision under the head "VI Conservancy" in the ensuing year's District Fund budget and that the work will be put in hand in July next as the ground is too hard for the removal of lantana, with the observation that the owners of private lands should be compelled to keep them clear of lantana or other undergrowth.

Resolution.—Recorded.

7. Read Divisional Assistant Commissioner's yadi No. 284, dated 9th June 1906, forwarding the Yedahalli Deputy Amildar's No. 346, dated 5th June 1906, requesting confirmation to the sales of the ferries at Hebbe and Nandigave for the year 1906-07 to Mohadin Sab and Lakvalli Budan Bég for Rs. 7 and Rs. 6, as they were the highest bidders.

Resolved that the sales be confirmed.

8. Read Mudgere Amildar's report No. 244, dated 5th June 1906, requesting confirmation of the sale of the ferries at Anjur and Kitlegundi for the year 1906-07 to one Buden Sab for Rs. 25-4-0 and Rs. 5-2-0, respectively, as he is the highest bidder.

Resolved that the sale be confirmed.

9. Read Chikmagalur Taluk Amildar's report No. 296, dated the 28th June 1906, forwarding the resolution of the Taluk Board with regard to the taking up of the estate road opened out by Mr. C. H. Godfrey from Aldur to Wagar Estate under the management of the District Funds, and stating that the road in question is useful only to the planters and not to the general public and that the road is used by the Forest Department for carrying forest produce and that the Forest Department is not prepared to contribute anything towards the up-keep of the road and that there is no reason for the road to be maintained from District Funds.

Resolution.—The Board is of opinion that as the road is not much used by the general public, it is not prepared to take it over for maintenance.

It was further resolved that the Executive Engineer be requested to take early steps to hold a Sub-Committee at a very early date and report after investigation which of the several roads now maintained from District Funds are used purely by the planters and are not used by the public, as resolved by the Board which met in February 1906 (Subject No. XXII).

10. Read Secretary's docket No. 191—L. B. (417-05)-4, dated 9th July 1906, enquiring whether the District Board are prepared to meet the cost of a separate dispensary at Balur if one is opened there in addition to the one at Hariharpur as suggested by the Senior Surgeon.

Resolution.—At present the closing balance of the District Funds is only Rs. 3,676-8-2 instead of Rs. 7,560 which is $\frac{1}{8}$th of the total income as prescribed by clause (c) of para 131 of the Local Boards Rules. Thus it will be seen that there are no funds at the disposal of the Board. They, therefore, resolved that the Government be again requested either to sanction the closing of the dispensary at Hariharpur and the opening of one at Balur which is very useful to the planting community as already suggested, or meet the charge of the Balur Dispensary to be newly opened from Provincial Funds.

11. Read Kadur Division Executive Engineer's memo No. 215, dated 14—16th July 1906, forwarding copy of Superintending Engineer's docket No. 3281, dated the 12th July 1906, returning the estimate amounting to Rs. 1,6 0 for opening out a foot-path from Thippanahalli and Jagar *via* Bhutahgandi and Pandravalli, Chikmagalur Taluk, not sanctioned, and informing that he thinks that the foot-path is absolute waste of money, and the District Fund Board have already more roads than they can support decently and that it is much better to put this money into special repairs of District Fund roads.

Resolution.—As there is no other road to go to Pandravalli and for other villages in the Jagar valley, the Board is of opinion that it is absolutely necessary to improve the existing foot-path and accordingly resolved to address the Superintending Engineer again to sanction the estimate.

12. Read Secretary's docket No. 712—L. B. (210-05)-6, dated the 23rd July 1906, returning the vernacular papers connected with the proposal to open a road from Kuduragundi to the estate of Mr. Bolton, coffee planter, and requesting to place the subject before the District Board and submit a copy of their resolution as to whether they are willing to acquire the lands through which the road opened out by Kannur villagers now passes and to take up the road for maintenance.

(*b*) Also Yedahalli Deputy Amildar's report No. 55, dated 31st July 1906, stating that the road opened out by Kannur villagers as far as the bridge near Kuduragundi is two miles in length and that opened out by Mr. Bolton is two miles in length and that the road in front of Ananthaiya's house is a part of the road belonging to Kannur villagers.

Resolution.—The Board is of opinion that they have no objection to the lands being acquired for the road in question as the parties are willing to give them without any compensation. They regret that they are not in a position to take up and maintain it for want of funds.

13. Read Revenue Commissioner's Office memo No. 1288, dated 2nd—7th August 1906, stating that the villagers of Nagadevanahalli pray for a cattle-pound, and requesting to attend to it early.

Also Divisional Assistant Commissioner's yadi No.———dated————recommending the establishment of a cattle-pound there.

Resolution.—Upon perusing the records submitted by the Assistant Commissioner in charge of the Tarikere group of taluks, it was found very necessary to establish a cattle-pound at Nagadevanahalli and the Board therefore resolved to establish a pound at Nagadevanahalli.

14. Read correspondence ending with Executive Engineer's docket No. 266, dated the 8th September 1906, informing the President that there is only a provision of Rs. 50 in the current year's budget for supplying new jungal to the Hebbe crossing and requesting to arrange to place the balance of Rs. 418 at his disposal for the work being put in hand.

Resolution.—As per Government Order No. 7187-98—L. B. (267-05)-2, dated 10th January 1906, no additional grant can be sanctioned. The Board is therefore of opinion that the estimate be sanctioned next year if the Executive Engineer cannot provide funds for the same by reappropriation from the existing allotments in the current year's budget.

15. Read list of works that remained incomplete on the last day of June 1906 requiring a sum of Rs. 1,953 for their completion during the current year :—

	Rs.
Public Works	238
Works to be executed by the Revenue Department	1,715
Total ...	1,953

Resolved that the amount required to complete these works be arranged to be met from the current year's budget grant under the respective heads as directed in Government Order No. 7187-98—L. B. (267-05)-2, dated 10th January 1906.

16. Read the following works sanctioned by the President out of the savings effected out of Rs. 2,000 sanctioned in Government Order No. 9833-4—L. B. (365-05)-3, dated 23rd March 1906, and the sanctioned grants in the budget for 1905-06.

The works are—

	Rs.
1. Stone lining a well in new Agrahar, Kadur Town ...	340
2. Repairing the drinking water well in Gyarmardi ...	226
3. Constructing a drinking water well at Kerehosahalli ...	489

5. Revised estimate for repairing the pond at Belvala ...	407
6. Repairing the drinking water honda at Yellambalase ...	75
7. Revised estimate for repairing the drawing well at Andenahalli	58

Resolution.—Approved.

17. Read list of estimates of budgetted works for 1906-07 to be executed by the Revenue Department.

Resolution.—Out of the budget grant of Rs. 3,017 a sum of Rs. 1,715 will be required for completing the incomplete works of last year and the balance available for fresh works will be only Rs. 1,302. The Board therefore resolved to sanction the execution of only the following eight works which are reported to be very necessary :—

	Rs.
(1) Flooring the Birur musafirkhana	185
(2) Repairing the Mudgere musafirkhana	90
(3) Repairing the Aldur musafirkhana	85
(4) Repairing the well near the musafirkhana at Aldur ...	80
(5) Repairing the musafirkhana at Sivane	290
(6) Improving the drawing well at Gungarhalli, Chikmagalur Taluk.	136
(7) Revetting the well at Chiknayakanahalli, Kadur Taluk.	255
(8) Sinking a well at Gopal Busanahalli	263

18. Read Resolution No. 15 of the District Board dated the 28th May 1906, stating that the Subject No. 193 of the Dasara Representative Assembly regarding utilization of the savings effected from discontinuing the travelling allowance to non-official members for providing for additional establishment and for increasing the pay of officials in the President's office.

Resolved that this subject be brought up again at the next meeting as only two non-official members are now present.

19. Read the report on the working of the District Funds for the year 1905-06 as also the consolidated annual accounts and review prepared by the Finance Committee.

Resolved that the report and accounts be passed and submitted to Government.

20. *Resolved* that the next meeting of the District Board be held on the 31st January 1907.

M. CHENGIAH CHETTY,
President.
